Support for Athletes and Weekend Warriors From Unicity

Pre-Workout

Power Generation – An herbal blend to boost your athletic performance while promoting physical energy and mental focus.

Matcha – A unique combination of Matcha, blueberries, and other nutrients provide antioxidants, catechins, and chlorophyll, which cleanse and provide energy and antioxidants for the body.

See video at www.defineyourY.com. In PDR

During Workout

LowOz – A fast-absorbing hydration product which includes minerals, vitamins, an OPC Blend, flavonoids, catechins and other antioxidants to support your natural defense mechanism.

Post - Workout

MyoCap PM – A post workout recovery formula promotes recovery after exercise.

QuadPlex – 4 types of protein, probiotics and a patented enzyme complex that enhances absorption. This smooth and tasty protein blend is fortified with vitamins, minerals and branched-chain amino acids.

CM Plex – Available in Crème and Softgels, this proprietary blend of cetyl myristoleate and cetyl esters have been shown to hydrate and penetrate joints. It is knick-named WD-40 for joints.

BM&C Plus – This regenerative herbal formula helps reduce tissue inflammation, nourishes ligaments and tendons, and supports the body's immune system.

Joint Mobility - Protect and preserve where you bend, rotate, roll, and glide. Includes Vitamin D3, Tumeric Extract, Boswellia Extract and Collagen.
